What is happening January - February

Happy New Year!

In January, our theme will be "Animal Habitats." We will focus on the Rainforest/Jungle, Polar, Grassland, and the Desert. One of our projects will be making a desert mural. We will discuss the desert environment and add desert animals and plants to the mural.

We will also focus on being responsible and learn all about what that means!

In February, our theme will be "Healthy Hearts." We will focus on Doctors/Nurses/Veterinarians/Dentist, Nutrition/Food Pyramid, Sports/Exercise/Body Parts, and Valentines Day! In addition, we will work on being compassionate to our friends, family, and loved ones. One of our activities will be to learn about self-care. We will use a pretend baby, shaving cream, sponges, and water to give the baby a bath.
