Spring Newsletter

CHALK Preschool of
Hermosa Beach

Spring is in the air! The month of March will be filled with activities regarding seasonal changes, St. Patrick's day, and the importance of friendship! Children will focus on hands on activities that will extend their learning on how weather changes play a part in seasons and will be introduced to the history of St. Patrick's Day!

In the month of April, students will learn more about the importance of keeping our environment healthy through waste management, reading more books from children's favorite authors, and learning the difference between fairytales and fiction!

To wrap up the Spring season, in the month of May, children will celebrate Mother's day through arts and crafts, extend their knowledge on planting process, and learn about different foods that are in season during the spring time!
