BLUE ROOM

CHALK PRESCHOOL OF HERMOSA BEACH

Welcome Summer! In June, our Blue Room friends will have a blast with Father's Day, camping, fishing, and exploring different occupations and community helpers. Then, in July, get ready for beach days, summer treats, picnics, and lots of fun with oceans and pirates. In August, we'll dive into the circus and carnivals, the Wild West, create some awesome inventions and robots, and learn about dinosaurs. It's going to be an exciting summer!
