OCTOBER  
2024

CHALK PRESCHOOL TARZANA

Ms. Katelyn & Ms. Perla

## This month at school

Welcome to Blue Room! This month's theme is Awesome Autumn.

For the first week of October, the letter of the week will be A. We will be learning about nocturnal animals. For science, the children will be engineering raccoon dens. For literacy the children will sort and match owl alphabet letters. For math, the children will be counting and sorting acorns, feathers, etc. by size. For art the children will be making an owl out of paper, feathers, and googly eyes.

For the second week of October, the letter of the week will be B. We will be learning about fire safety. For literacy, the children will write letters on fire sensory bags using their finger. For math, the children will determine which pom poms match to the fire hydrant of the corresponding color on a fire hydrant mat. For science, the children will make fire themed playdoh. For art, the children will use different colored tissue paper and glue them onto a fire cutout.

For the third week of October, the letter of the week will be C. We will be learning about outer space. For math, children will match different shaped aliens. For science, the children will be making alien slime. For literacy, the children will match star letters. For art the children will be making their own planet out of paper, stickers, glitter, etc.

For the fourth week of September, the letter of the week will be D. We will be learning about all things Halloween. For math the children will count bags in a sensory tray of rice, bat manipulatives and pom poms. For literacy the children will find spider themed letters in a sensory bin of spider webs. For science the children will make a witch potion out of soap, water, cauldrons and other materials. For art the children will paint using a pumpkin stem.
