KNUFFLES

Knuffles, is our beloved class stuffed animal. Each week, one student is chosen as the 'Star of the Week' and has the opportunity to take Knuffles home for the weekend. Over the weekend, children may embark on thrilling adventures with Knuffles and capture precious moments to add into our photo album. We can't wait to see the incredible journeys Knuffles and your children will experience!

Awesome Autumn

We are officially in October! This month, our theme is "Awesome Autumn," In week one, we're learning all about Fire Safety. Children will learn fire safety vocabulary words, learn how to dial 911 for emergencies, put out fires (shaving cream) with spray bottles, and create a fire out of tissue paper.

For week two, we will be learning about "Outer Space." Children will be tracing and writing the planets of the solar system, counting and beading shooting stars, creating pipe cleaner stars, and painting planets with a balloon.

Week three is our Halloween week! Children will be tracing letters with ziploc bags filled with orange goo, solve Halloween pattern blocks, build their own monster using playdoh, and create a Jack O'Lantern.

In week 4, we will be learning about Nocturnal Animals. Children will be solving a fox alphabet, counting and feeding raccoons, guessing the scent of cotton pads, and paint an owl puppet.
