## Once Upon a Time at School

This month at school the theme is "Once Upon a Time..." . One week will explore different authors such as Dr. Seuss and Eric Carle. The next week will focus on Nursery Rhymes and Fairy Tales. We will have a week dedicated to Earth Day and Recycling. The last week of the month will be exploring famous artist such as Picasso and Monet. In each week we will cover a few activities for each theme. We will be providing the children with many different art activities such as making their own Earth Day crafts and Picasso masterpieces. Sensory activities for this month will focus on different textures. These activities are set up to provide open discussion between the friends and introduce new words such as "Author", "Fairytale", and "Earth" while always providing open-ended questions.

## Letters of the Week

We will continue to spend each week focusing on a letter. For the month of March we focused on letters I-L. For the month of April the letters will be M-O!
